SUMMARY

Accomplished full stack web developer with proven ability to design and build sites and web apps from mockup to production. Graduate of SMU's web development boot camp with acquired skills in React, JavaScript, Node.js, and MySQL. Detail-oriented and creative-minded, contributes strong values of hard work, perseverance, and collaboration.

TECHNICAL SKILLS

Languages & Frameworks: JavaScript, jQuery, React, React Native, Ruby, Rails, Express, Node.js, npm, Sinatra, Ajax, Drupal, Adalo

Text Editors: Visual Studio Code, Sublime

Databases: MongoDB, MySQL, Postgres, SQLite, Firebase

Testing: RSpec

Design: Sketch, Photoshop

RELEVANT EXPERIENCE

Software Developer Intern / Quality Manager | February 2020 – December 2020

Magentico | Frisco, TX

- As a startup company, performed many tasks, from sales & marketing to development & testing
- Used React to build a "nutrient calculator" for a client
- Built the company's website (magentico.com)
- Set up Zapier to coordinate with Unbounce, Calendly, Pipedrive, and Slack
- Built and edited landing pages in Unbounce
- Led inside sales, located Magento store owner prospects on LinkedIn, connected, and started conversations, utilizing Pipedrive for documentation
- Headed quality management for company's biggest client, involving requirements intake, testing/recording and reporting issues as UA and QA tester

Freelance Web Developer | 2017-2019

Front End Web Developer | 2016-2017

Vertical Nerve | Dallas, TX

- Worked closely with the CRO team in A/B testing and building landing pages in Unbounce
- Provided facelifts for over 35 golf websites in Drupal to increase traffic and reflect more contemporary branding of the properties
- Updated Wordpress sites for various doctor and lawyer websites to help reach a broader audience and meet CRO team recommendations & Photoshop mockups
- Built the front end for a physical therapy web site: PT Pros (ptpros.com)
- Stack: Primarily JavaScript, CSS, HTML, Drupal, WordPress

ADDITIONAL EXPERIENCE

Sales Lead 2016-2018
Pier 1 Imports, Inc. Dallas, TX

Healthcare Administrator & Medical Assistant 2010-2015
Pain Management Center of Dallas Dallas, TX

PROJECTS

Steal the Show | <https://github.com/helenkhoda2019/final-project> | <https://steal-the-show.herokuapp.com/home> - to log in, use: chloe | chloe@test.com | testing

- Final group project at SMU. An e-commerce site enabling users to login/signup, and rent or buy shoes, handbags, and dresses, saving information to their profile.
- Led the team on the back end and assisted with front-end final design edits.
- Stack: JavaScript, jQuery, React, Node.js, Express, MongoDB, Mongoose, Bootstrap

Larken Farms | <https://github.com/mpieces/larken-farms> | <http://www.larkenfarms.com/>

- Freelance project for a client who has a peach orchard in Waxahachie, TX. Built without any templates, the admin has the ability to edit and update several facets of the site, from uploading photos to posting updates on the home page.
- First solo freelance project built from initial design to deployment.
- Stack: Ruby on Rails, Paperclip gem, JavaScript, HTML5, CSS3, AWS

Estates-to-Date | <https://github.com/mpieces/Rails-Estates-to-Date>

- Estate sale & auction listing site, connecting listers & shoppers, who can log in, search by zip code, save favorite sales, & see mapped locations.
- Sole developer in this passion project begun at Dev Bootcamp initially using Sinatra framework.
- Stack: Ruby, Rails, JavaScript, jQuery, AJAX, HTML5, CSS3

EDUCATION

Bootcamp Certificate in Web Development: SMU, Dallas, TX

A 12-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, jQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handlebars.js & React.js.

Dev Bootcamp, San Francisco, CA

Completed a 6-month, intensive full-stack web development program focused on algorithmic thinking, object-oriented design, and test-driven development. Engaged in weekly group projects and daily pair programming.

B.S. in Psychology & Chemistry: Florida State University, Tallahassee, FL

Graduated with a 3.8 GPA.
