Marisa E. Ramon

Full-Stack Software Developer

mer0522@gmail.com ⬧ (214) 206-6892 ⬧ Dallas, TX ⬧ linkedin.com/in/marisaramon ⬧ github.com/mpieces

SUMMARY

With a background in medicine, I'm excited to combine my former knowledge and my newly acquired technical skills. With a mind both science-oriented and artsy in nature, I am hoping to find a team where we can build amazing things, whether medical or just innovative!

PROJECTS

Chariteer, Final Group Project

Decoupled app using Angular for the front end and Rails API for the back end, connecting volunteers and charities in the San Francisco area.

Tech: Angular.js, Ruby, Rails, PostgreSQL, HTML5, CSS3

Estates-to-Date

Estate sale & auction listing site, connecting listers & shoppers, who can log in, search by zip code, save favorite sales, & see mapped location.

Tech: Ruby, Sinatra, JavaScript, jQuery, AJAX, Google Maps API, Kimono Labs scraper, Zip Code Distance API, HTML5, CSS3

Marisa's Pieces

Project used to display learned knowledge of a new, chosen technology. Displays a gallery of various American-made antique glass.

Tech: Backbone.js, HTML5, CSS3

EXPERIENCE

Dev BootCamp, Apprentice Software Developer, 2015
- Completed a 6-month, intensive full-stack web development program focusing on algorithmic thinking, object-oriented design, test-driven development
- Engaged in weekly group projects & pair programming daily

U.S. Anesthesia Partners, Office Manager/Medical Assistant, 2009-2015
- Managed all aspects of a pain practice from patient consultation to managing prescriptions
- Operated fluoroscopy machine & assisted with all surgical procedures/injections
- Transcribed all dictation promptly, making sure CPT and ICD-9 codes billed correctly

Dwell with Dignity, Volunteer, 2014 – present
- Helping families escape poverty and homelessness through design. Volunteer weekly refurbishing furniture, painting, creating artwork, making families' houses a home.

Zumba Fitness Instructor Certification, 2008
- Introduced Zumba classes to Galveston Island, TX & taught at several studios
